

# Interactive Tour Instructions

## When using a computer to navigate

- Click & Drag to look around the Space, OR use the arrow keys to turn left & right.
- Click on the Rings throughout the Space to move from each Location, OR use the arrow keys to move forward and back.
- Use the Scroll Wheel on the mouse to zoom in and out, OR use the Plus & Minus keys to zoom in and out.
- You can choose specific areas of the Museum to zoom to quickly by selecting in the lower left corner of the screen the “View Floor Plan” or “View Dollhouse” options (you can skip quickly into the Vintage Garage, Machine Shop, or Ag Room that way)

## When using tablet, smart phone, or any other touch screen device

- Simply tap to move forward, slide to turn from side to side, or zoom in and out.
