**Motel 6 Sunnyvale North** is by far the most affordable lodging in the Silicon Valley, and with its recent renovations, it meets most traveler's needs. ***Like a Ford Model T, it gets the job done!*** However, if you're looking for a few more amenities, you may want to consider the Hilton Garden Inn just down the street. Although we don't have a group reservation with the Hilton Garden Inn, feel free to contact the hotel directly for booking. The two hotels are located on the same side of Mathilda, just a couple of doors down. More information on the Hilton Garden Inn is provided on the next page.
