I hereby give the Model T Ford Club of America (MTFCA), its successors, assigns, and those acting on its behalf or authority, the rights to publish the provided writings, photos, and artwork (hereafter referred to as Submissions) for use in any and all digital and/or print media associated with the Vintage Ford magazine.

1. I warrant that these Submissions have been produced by me; or that I have obtained the rights or permissions to have these Submissions published; and that I have not included previously published or copyrighted materials, nor any derivatives of another person's work.
2. I also certify that I have the rights or permissions (including signed photo releases when applicable) to include the names and images of any people mentioned or appearing in my Submissions and have obtained parental consent for anyone under the age of 18 years old.
3. I freely submit these materials to the MTFCA with the understanding that any portion or all of my Submissions may or may not be used; and that my Submissions may be proofread, edited, titled or re-titled, captioned or re-captioned, color-corrected, cropped, retouched, and used in combination with other Submissions.
4. I understand that my only compensation for published Submissions will be a credit byline and a complimentary copy of the issue. At no time shall I be paid, reimbursed, compensated, or given royalties now or at any point in the future, for Submissions appearing in the Vintage Ford, with the exception of photos used on the Vintage Ford cover, for which I will receive the compensation rate in effect at the time it is published.
5. I understand that any and all Submissions shall become the property of the Vintage Ford, cannot be withdrawn or returned to me, and cannot be reproduced in any form or in any publication or other form of media without first obtaining written permission from the MTFCA.
6. I further understand that the MTFCA reserves the right to reprint my previously published Submissions in future issues of the Vintage Ford. Reprints may be published in part, in entirety, or with updated or edited information, and will include my original credited byline.
7. I understand that the MTFCA, its successors, assigns, and those acting on its behalf or authority have no liability, legal or otherwise, with any Submissions, including those for which I have not cleared proper rights and permissions; and will not be held liable for any legal issues arising from false statements made by me about my Submissions or my inability or ignorance in obtaining any necessary rights and permissions.

By signature below, I represent that I possess the sole and complete legal capacity to exercise this authorization.

NOTE: For accepted feature articles or cover photos, the MTFCA will attempt to notify you by email or phone with the tentative publication Volume and Issue. The Issue and ultimate publishing of your Submission may still be subject to change. When possible, you will receive an edited and formatted proof of your feature article or cover photo to review and respond back with any concerns. Deadlines often require the need for a speedy response of 48-72 hours. If a response is not received for whatever reason (including email issues) it will be determined that the right for review has been waived.
